### [Our Printing Services]

A FAMILY OWNED AND OPERATED ENTERPRISE THAT TAKES PRIDE IN THE SERVICES THAT WE PROVIDE! WE CONTINUE TO STRIVE TO PROVIDE OUR CUSTOMERS WITH PREMIUM QUALITY PRINTING.

At Island Printing, we cover a wide range of printing services and create various kinds of different printed products for your business. We take pride in creating premium quality products that include:

#### BOOKLETS

Booklets can contain all kinds of information so if you wish to expand the knowledge of your present customers and add more potential customers in the fold, it is the perfect outlet for your business. We use the latest offset and digital printing techniques to lay down information, facts and figures, and even punctuate paragraphs of text with vivid images into an insightful material. We will work closely with you to be able to provide your individual needs. We offer numerous types of paper, print in either landscape or portrait, and provide a wide array of binding options as well as dimensions. Should you prefer to have hardcover booklets, we can craft it for you upon request. Enlightenment deserves to be materialised and communicated and it can start with your booklet.

## BROCHURES

Looking into creating a sales brochure that can broaden your customer's understanding of your business? Or perhaps you wish to produce a detailed user guide? Whatever kind of brochure you wish to create, Island Printing has got you covered from all sides. We offer to design and print brochures of all sizes, from A3 to A6, and different finishing options. We also provide our customers with the freedom of creating custom designs, that, with our latest technology and precision techniques, will have your ideas arranged on paper.

## BUSINESS CARDS

Business cards are not just pieces of paper you give away. These are tools that represent your brand and can be very effective in getting your name out there to pull in more interest in your company. At Island Printing, we offer to create engaging and sturdy cards with designs that reflect the professionalism of your company. We produce double-sided printing, lamination, and customised creative finishes that will last as long as that positive impression you left on potential customers..

## FLYERS

Bring attention towards your company and make it last! Flyers are effective tools in making a powerful first impression. This especially comes in handy for local businesses that wish to tell the community of their brands. Flyers are inexpensive and efficient means of promoting your products and services to your neighbours and all you have to do is drop it door to door! Should you wish for your ideas to be literally handed over to your customers, we got you! At Island Printing, we offer A4, A5, and A6 flyers as well as immediate results.

## MENUS

The quality of the menus do not necessarily affect the quality of the food but just imagine the excitement on the faces of your customers even just by turning the pages. Delicious mouth-watering food should never be underrepresented! The premium quality of the food and service you offer should also be reflected in the menus. At Island Printing, we offer a wide range of options available to achieve that. From different types of paper, various types of finishes and dimensions, the menu is surely not to leave the customer's side throughout the meal.

## INVITATIONS

Planning for a launch, an opening, a ball, a fundraiser? Whatever it is you're planning, it will surely be a hit. But what if we can help you stimulate the event and have the whole town looking forward to it? At Island Printing, we can help you create invitations that set a beautiful tone on a lively piece of paper. Get in touch with us and we'll have the invites rolling in no time.

That's not all! Please be reminded that we can also produce custom envelopes, magazines, labels, posters, postcards and calendars. Call us today to find out more!
